

Map of Bahrain, 1960. Charles Belgrave, Personal Column (London: Hutchinson, 1960).

Satellite image of the Arabian peninsula, March 2000. Bahrain is the small island in the center, adjacent to the larger peninsula of Qatar. Provided by the SeaWiFS Project, NASA/Goddard Space Flight Center, and ORBIMAGE.

Satellite image of the north of Bahrain, 2016, showing Manama on the top right and Budaiya on the top left. Pockets of greenbelt can be seen on the middle right. New reclamation projects line the north coast. Google Earth Image © 2016 DigitalGlobe.

Sheikh Ibrahim's garden, 1963.
Glob and the Garden of Eden. Torkil Funder, Moesgård Museum.

Date palm groves being replaced with villas with green painted roofs, 2006.
Photograph by M. Hussaini.

It's like Scotland, minus the weather.

تمتع بهذه الإطلالة من بيتك.

The Royal Golf Club at Riffa Views, Bahrain.
